Ms. Ainsley, M.A., CCC-SLP

ABOUT ME

Welcome to the 2021-2022 school year! My name is Ainsley Cassens (the students call me Ms. Ainsley) and I am excited to work with your child this school year. I am beginning my 9th year at Santa Margarita and love supporting our military families!

I hope you all had a wonderful summer! I spent my summer soaking up every day with my 9 month old, William. We went to swim lessons, traveled back to the Midwest to see family, read lots of books, and boated on Lake of the Ozarks. I tried to sneak in some yoga classes but didn't do as much relaxing as I once used to :).

I look forward to collaborating with your child's teacher to find the best time for me to work with your child! I love incorporating literacy and fine motor into our sessions!
