

8th Grade Yearbook Tribute Ad
Information

In the 2022 Yearbook, the King Yearbook Staff would like to continue the tradition of including 8th Grade Tribute Ads.

We are excited for the chance to acknowledge your child's success in promoting to High School!

We have a simple online process which has made the ad development more personal and efficient. Parents and guardians will be able to provide their own pictures along with a brief message of reflection, loving encouragement, and hopeful wishes!

To make it more convenient, payments will also be made through this online process.

Additional details will be provided at Lion Camp. Please look for the flyer.

Please feel free to order from our online WebStore and skip the registers at Lion Camp. Just bring your student ID and receipt printout straight to the "pick-up" table. We'll package up your purchase and send you off ASAP!

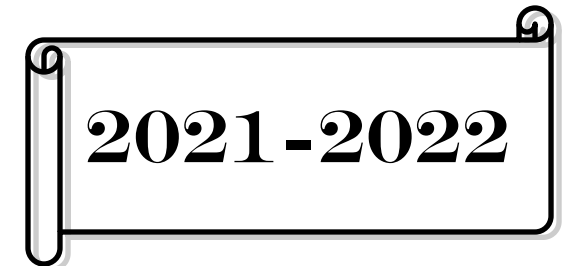

**our online vendor charges .95¢ transaction fee and 3% convenience fee.
