	b. Do benefits continue past age 65?	Yes

c. Describe any other characteristics of the district's OPEB program including eligibility criteria and amounts, if any, that retirees are required to contribute toward their own benefits:

The district contributes up to \$1,800 annually for medical coverage of retirees who are 55 or older with 20 years of service to OUSD and are receiving PERS or STRS. Contributions are terminated when the retiree becomes Medicare eligible (age 65). Some management and confidential retirees receive lifetime benefits under previous retirement agreements. In 2017-18, the district offered a Supplemental Employee Retirement Plan to employees retiring on or before June 30, 2018. OUSD expects that the number of retirees that will receive the \$1,800 post-retirement benefit will increase by 25 and new eligible retirees annual medical contribution will increase to \$6,000.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the district governing board and superintendent
